(The offset process is authorized by a variety of laws, including the Debt Collection Act of 1982, as amended by the Debt Collection Improvement Act of 1996, the Internal Revenue Code, and 31 C.F.R. Part 285, Subpart A.) Debtors and the Gold Fields Liquidating Trust agree that (1) they have been notified that the United States will refer the Liability to the Department of the Treasury for the offset of pending Tax Payment payments; (2) the United States determined that the Debtors' Liability was past due and legally enforceable after providing the Debtors and the Gold Fields Liquidating Trust at least 60 days in which to present evidence to the contrary; (3) the United States made reasonable efforts to collect the Liability before referring the Liability to the Treasury Offset Program taking into account that Debtors have filed for bankruptcy; (4) there are no bars to collecting the Liability through offset; and (5) the United States has satisfied (or the Debtors and the Gold Fields Liquidating Trust have waived) all other prerequisites to collecting the Liability through offset, including the prerequisites listed in 31 C.F.R. Part 285.2(d). Debtors and the Gold Fields Liquidating Trust consent to the Liability being referred to the Treasury Offset Program for offset. Reorganized Debtors shall provide any reasonable cooperation requested by the United States to effectuate the Tax Payment setoff.

19. The \$2 million distribution to the Gold Fields Liquidating Trust in a segregated account for the American Zinc, Lead and Smelting Company Site, as provided in the Agreed Order, (i) shall be used by the Gold Fields Liquidating Trust or any other site owner exclusively for response actions and O&M at that site as approved by KDHE, and (ii) shall be used for no other purpose. The Gold Fields Liquidating Trust shall provide EPA and KDHE at least 45 days advance notice of any transfer of, or written intent to abandon, the American Zinc, Lead and Smelting Company Site. Any transfer of the American Zinc, Lead and Smelting Company Site by the Gold Fields Liquidating Trust to a third party is subject to the approval of the State of Kansas, which approval shall not be unreasonably withheld, conditioned, or delayed. In the event that the State of Kansas (or any Kansas state agency), or any local government or third party takes ownership of the American Zinc, Lead and Smelting Company Site, or the Gold Fields Liquidating Trust provides written notice of its intent to abandon the site, any remaining balance of the segregated account, shall be transferred by the Gold Fields Liquidating Trust to a Kansas special account maintained and controlled by the State of Kansas, with notice to EPA and the State of Kansas. The funds transferred to the Kansas special account shall be used exclusively for response actions and O&M at the American Zinc, Lead and Smelting Company Site.

In consideration of all of the foregoing, including, without limitation, the distributions and/or payments that will be made and authorized pursuant to the terms of this Settlement Agreement, and except as specifically provided in Paragraphs 21-25, the Governments covenant not to file a civil action or take administrative action against the Debtors or Gold Fields Liquidating Trust pursuant to Sections 106 or 107 of CERCLA, 42 U.S.C. §§ 9606 or 9607, Section 7003 of RCRA, 42 U.S.C. § 6973, or any similar state or local laws, with respect to the Sites. These covenants not to sue are conditioned upon receipt of all payments required by Section VI.

21. This Settlement Agreement in no way impairs the scope and effect of the Debtors' discharge under Section 1141 of the Bankruptcy Code as to any third parties or as to any claims that are not addressed by this Settlement Agreement.

22. Without in any way limiting the covenants set forth in Paragraph 20 (and the reservations thereto set forth in Paragraphs 21-25), and notwithstanding any other provision of this Settlement Agreement, such covenants shall also apply to the Debtors' and the Gold Fields Liquidating Trust's successors and assigns, officers, directors, employees, and trustees but only to the extent that the alleged liability of the successor or assign, officer, director, employee, or trustee of any Debtor or the Gold Fields Liquidating Trust is based solely on its status as and in its capacity as a successor or assign, officer, director, employee, or trustee of any Debtor or the Gold Fields Liquidating Trust. For the avoidance of doubt, notwithstanding anything in this Settlement Agreement, the covenants not to sue shall not apply to Blue Tee Corporation, Brown Strauss, Inc., BSI Holdings, Inc., Blue Tee Corporation Employee Stock Ownership Plan, and any affiliated entities or persons.

23. The covenants set forth in Paragraph 20 extend only to the Debtors, the Gold Fields Liquidating Trust, and the persons described as receiving covenants in Paragraph 22 and do not extend to any other person. Nothing in this Settlement Agreement is intended as a covenant for any person or entity other than the Debtors, the Gold Fields Liquidating Trust, the Governments and the persons described as receiving covenants in Paragraph 22. The Governments, the Debtors and the Gold Fields Liquidating Trust expressly reserve all claims, demands, and causes of action, either judicial or administrative, past, present, or future, in law or equity, which they may have against all other persons, firms, corporations, entities, or predecessors of the Debtors for any matter arising at or relating in any manner to the Sites or claims addressed herein. Further, nothing in this Settlement Agreement diminishes the right of the Governments, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to enter into any settlement that gives rise to contribution protection for any person not a Party to this Settlement Agreement.

24. The covenants set forth in Paragraph 20 do not pertain to any matters other than those expressly specified therein. The Governments expressly reserve, and this Settlement Agreement is without prejudice to, all rights against the Debtors and Gold Fields Liquidating Trust and the persons described as receiving covenants in Paragraph 22 with respect to all matters not settled herein. The Governments also specifically reserve, and this Settlement Agreement is without prejudice to, any action based on: (i) a failure to meet a requirement of this Settlement Agreement, and/or (ii) matters addressed in the Agreed Order. (Docket No. 2761). In addition, the Governments reserve, and this Settlement Agreement is without prejudice to, all rights against the Debtors and the Gold Fields Liquidating Trust and the persons described as receiving covenants in Paragraph 22 with respect to the Sites for liability under Federal or State law for their future affirmative actions creating liability that occur after the date this Settlement Agreement is filed

with the Bankruptcy Court. As used in the preceding sentence, the phrase “future affirmative actions creating liability” does not include continuing releases related to Debtors’ conduct prior to the date this Settlement Agreement is filed with the Bankruptcy Court. Nothing in this Settlement Agreement releases or nullifies any liability of any entity as an owner or operator of property for their affirmative actions that occur from and after the Effective Date. This Settlement Agreement does not release claims and causes of action for criminal liability. The Governments reserve all rights with respect to criminal liability.

25. Nothing in this Settlement Agreement shall be deemed to limit the authority of the Governments to take any response action under Section 104 of CERCLA, 42 U.S.C. § 9604, or any other applicable statute or regulation, or to alter the applicable legal principles governing judicial review of any action taken by the Governments pursuant to such authority, provided, however, that nothing in this sentence affects the covenants set forth in Paragraph 20. Nothing in this Settlement Agreement shall be deemed to limit the access or information-gathering authority of the Governments under Sections 104 and 122 of CERCLA, 42 U.S.C. §§ 9604 and 9622, or any other applicable statute or regulation, or to excuse the Debtors or Gold Fields Liquidating Trust from any disclosure or notification requirements imposed by CERCLA or any other applicable statute or regulation.

26. The Debtors and the Gold Fields Liquidating Trust covenant not to sue and agree not to assert or pursue any claims or causes of action against the Governments with respect to the Sites, including, but not limited to: (i) any direct or indirect claim for reimbursement from the Hazardous Substance Superfund or any similar state fund; (ii) any claim under Sections 107 or 113 of CERCLA, 42 U.S.C. §§ 9607 or 9613, or Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or any similar state laws; or (iii) any claim arising out of response activities at the Sites. Nothing in this

Settlement Agreement shall be deemed to constitute preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d). The Debtors and the Gold Fields Liquidating Trust expressly reserve, and this Settlement Agreement is without prejudice to, all rights against the Governments with respect to all matters not settled herein.

IX. EFFECT OF SETTLEMENT; CONTRIBUTION

27. The Parties agree, and by entering this Settlement Agreement the Court finds, that this Settlement Agreement constitutes a judicially-approved settlement pursuant to which the Debtors and the Gold Fields Liquidating Trust have, as of the Effective Date, resolved liability to the Governments within the meaning of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and are entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, or as may be otherwise provided by law, for the “matters addressed” in this Settlement Agreement. The “matters addressed” in this Settlement Agreement, as that phrase is used in Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), are: (i) all response actions taken or to be taken, and all response costs incurred or to be incurred, at or in connection with the Sites by the Governments or any other person (except for the States of Arizona and Washington); (ii) claims by the Governments for natural resource damages for injury to natural resources and their services under the trusteeship jurisdiction of the Governments (including related natural resource damage assessment costs) at or in connection with the Sites.

28. Each of the Debtors and the Gold Fields Liquidating Trust agree that, with respect to any suit or claim brought against it after the Effective Date for contribution related to the Sites, it will notify the applicable Governments in writing within 30 days after service of the complaint or claim upon it. In addition, in connection with any such suit or claim, each of the Debtors agree that it will notify the applicable Governments in writing within 10 days after service or receipt of

any motion for summary judgment, and within 10 days after receipt of any order from a court setting a case for trial (provided, however, that the failure to notify the applicable Governments pursuant to this Paragraph 28 shall not in any way affect the protections afforded under Section VIII (Covenants and Reservations)).

X. NOTICES AND SUBMISSIONS

29. Whenever, under the terms of this Settlement Agreement, written notice is required to be given, or a report or other document is required to be sent by one Party to another, it shall be directed to the individuals at the addresses specified below via U.S. certified mail, return receipt requested, unless those individuals or their successors give notice of a change of address to the other Parties in writing. All notices and submissions shall be considered effective upon receipt, unless otherwise provided. Except as otherwise provided in this Settlement Agreement, written notice as specified herein shall constitute complete satisfaction of any written notice requirement in the Settlement Agreement with respect to the Governments, the Debtors, and the Gold Fields Liquidating Trust, respectively.
